

Submission to the Inquiry into a Human Rights Act for NSW

Prepared by Dr Rory Gillard, with assistance from Damien Linnane, Tracey Murray, Alex Faraguna and Chris Sheppard

What is this paper about?

In this submission, CRC said it supports a **Human Rights Act for NSW**.

A Human Rights Act would help protect people's rights.

Human rights are **standards** that governments around the world have agreed to meet. They are about being **treated fairly, treating others fairly** and being able to **choose how we live our lives**.

A Human Rights Act includes people who have **been in prison** and people who may be **at risk** of going to prison in the future.
